TO THE COURT:

On April 16, 2014 this case was transferred to the Honorable James Donato and the parties were ordered to file a Joint Case Management Statement, discussing the issues identified in the Standing Order for All Judges of the Northern District of California. However, Plaintiff has reached settlement agreements with each of the Defendants that will fully resolve this matter on an individual basis. The parties are currently in the process of signing the settlement agreements. A stipulated dismissal, dismissing Plaintiff's individual claims in their entirety with prejudice and the claims of the putative class without prejudice will be imminently filed by the parties.
